

# our contributors

The FEI Research Foundation extends its gratitude to the contributors to its 2001-2002 annual campaign. Supporters included public and private corporations, FEI chapters and individuals from both the active and retired FEI membership ranks. We consider every donor our partner in providing timely, practical research to enhance the financial management profession.

*In the listings below, an asterisk (\*) indicates that the donor has contributed for at least five consecutive years. Two asterisks (\*\*) indicate at least ten consecutive years of giving.*
